DESCRIPTION / THE PLOT

TITLE OF THE BOOK

THE ACTORS /

SCENARIO FACTORS

SETTINGS

ATMOSPHERIC FACTORS

THE DEATH OF GRASS
DESCRIPTION / A virus affecting crops in Asia and Europe causes famine and leads to displacement of populations and conflict in search for food.
THE ACTORS / Virus, Crops, Engineers, Civil Servants.

FAR NORTH
DESCRIPTION / A sheriff patrols his destroyed city under the assumption he is the last surviving citizen. Suddenly, a refugee emerges from the forest, inspiring the sheriff to reconnect with human society.
THE ACTORS / Male Sheriff, Refugees.

SOLAR
DESCRIPTION / An award winning physicist with marital and personal problems is given the opportunity to steal solar-energy research from a deceased colleague, where artificial photosynthesis is proposed as a climate change solution.
THE ACTORS / Physicist, Scientist, Artists, Scientific Expedition, Waitress, Wife.

A BEING DARKLY WISE
DESCRIPTION / A group of a dozen explorers embark on an adventure to escape from the civilized world, where human beings are destroying what is left of the ecosystem of the planet. Their fascination with surviving in a majestic and remote British Columbia causes the opposite, a race pushed to the limits of human capacity, against supernatural endurance.
THE ACTORS / Explorers

BACK TO THE GARDEN
DESCRIPTION / A group of survivors tries to find loved ones in an apocalyptic America after climate change and other ecological disasters have greatly altered the planet.
THE ACTORS / Survivors

MAN'S LAST SONG
DESCRIPTION / Human race faces imminent extinction because of sterility while nature is making its comeback. People live in a post-modern primordial age. Empty metropolises.
THE ACTORS / Post-modern cavemen.

THE DROWNED WORLD
DESCRIPTION / A biologist and his team are transformed physically and psychologically by a prehistoric environment that took over London as a result of climate change.
THE ACTORS / Biologists.

THE RAPTURE
DESCRIPTION / A woman tries to rebuild her life after a car accident by becoming an art therapist for a teenage killer who claims to foresee natural disaster. Slowly, the therapist becomes convinced that the predictions are real and anticipatory of a world-changing disaster.
THE ACTORS / Psychiatrist, Mental Patient, Religious Leaders, Religious Followers.

THE WINDUP GIRL
DESCRIPTION / Global warming has raised the levels of world's oceans, carbon fuel sources have become depleted, and manually wound springs are used as energy storage devices.
THE ACTORS / Economic Hitman, Cyborg Prostitute, Business Man.

FINITUDE
DESCRIPTION / A lighthearted climate change adventure story about an insurance salesman at the end of the world. After a thirty-year rationing plan, the prime minister declares victory over the climate, but a chronically depressed insurance salesman is skeptical.
THE ACTORS / Insurance Salesman, Prime Minister.

THE DOG STARS
DESCRIPTION / A grim world in which the planet is destroyed and most of the population dies of the flu. A gentle man and his dog heroically triumph over these challenges.
THE ACTORS / Male pilot, Dog, Gun fanatic.

THE UNINVITED
DESCRIPTION / As chilling murders by children grip the country, an anthropologist has his own mystery to solve: a bizarre scandal in the Taiwan timber industry, as well as the increasingly odd behavior of his beloved stepson. Nothing obvious connects these scenarios, but he is forced to acknowledge possibilities that defy the rational principles on which he has staked his life, career, and role as a father.
THE ACTORS / Male Anthropologist, Stepson, Violent Children.

ORYX AND CRAKE
DESCRIPTION / A love story, set against a plague-stricken world caused by uncontrolled genetic engineering by powerful corporations.
THE ACTORS / Post-apocalyptic Hermit, His Childhood Friend, Female Prostitute.

ULTIMATUM
DESCRIPTION / Only days after the elections, the new president of the United States learns from his predecessor that previous estimates regarding the effect of global warming on rising sea levels have been grossly underestimated. For the US, the prospects are devastating, and so the president opts to abandon multilateral negotiations in the Kyoto 4 summit and resumes secret bilateral negotiations with China.
THE ACTORS / Us President, United States, China.

A FRIEND OF THE EARTH
DESCRIPTION / In the year 2025, global warming is a reality, and a 75-year-old environmentalist is caring for a private zoo when his second ex-wife re-enters his life.
THE ACTORS / 75 Year Old Male Environmentalist, His Second Ex-wife, Zoo Animals.

WILD ABANDON
DESCRIPTION / A brother and sister try to escape their disintegrating rural life by preparing for the apocalypse, which begins at the end of the story when everyone but them starts to turn into zombies.
THE ACTORS / Commune family.

THE HEALER
DESCRIPTION / One man's search for his wife, who went missing after she researched politically motivated serial killer.
THE ACTORS / Couple, Newspaper journalist.

HOT MESS
DESCRIPTION / Many short stories, different scenarios: withered vineyards; post-apocalyptic metropolitan landscape; information overloaded metropolis; Atlants.
THE ACTORS / Winery owner; Fashionistas; Family.

STATE OF FEAR
DESCRIPTION / An intelligence agent tries to prevent eco-terrorists from plotting "natural" disasters to warn the public about global warming.
THE ACTORS / Eco-terrorists, Male Environmentalist Lawyer, Millionaire Philanthropist.

ARCTIC DRIFT
DESCRIPTION / An environmental agency director and his children have reason to believe there's a connection between recent events including a potential discovery to reverse global warming, a series of unexplained deaths, and a rash of international incidents between the US and one of its allies. Their only clue is a mysterious silvery mineral traced to a long-ago expedition, which may prove dangerous.
THE ACTORS / Environmental Agency Director, His Children, United States, Mysterious Mineral.

POLAR CITY RED
DESCRIPTION / An imagined future city in Alaska, as caused by global warming, rising sea levels, and scarce resources.
THE ACTORS / Climate refugees

FROM HERE
DESCRIPTION / Trying to settle down after ten years spent country-hopping, a woman is still adjusting to her new life. Independent-minded and strong, she's suddenly struggling with an attraction to the political assistant opposite her and suspicious about the group of climate change "activists" that she just joined. Settling down, it seems, is becoming the most unsettling experience she's had in her life.
THE ACTORS / An Independent-minded Activist Woman, the Male Political assistant opposite her, a group of Climate Change Activists.

WATER'S EDGE
DESCRIPTION / The incapability to cope with the effects of climate change leads to social unrest and struggle over resources that make the difference between life and death.
THE ACTORS / Refugees, British Family.

THE REVENGE OF GAIA
DESCRIPTION / The Earth is sick due to increased atmospheric greenhouse gases.
THE ACTORS / Humanity

THE YEAR OF THE FLOOD
DESCRIPTION / Global apocalypse caused by a manmade virus, civilization collapse, vicious and dangerous GMOs, corporate greed, unrestricted capitalism.
THE ACTORS / Religious Fanatics, Sex Worker, Outcasts.

FLIGHT BEHAVIOR
DESCRIPTION / Climate change has displaced Monarch butterflies from their typical wintering location in Mexico, and they may not survive the harsh Tennessee winter.
THE ACTORS / Young Wife, Religious Leaders, Climate Scientists, Environmentalists, Politicians, Monarch Butterflies

ODDS AGAINST TOMORROW
DESCRIPTION / A gifted young mathematician is hired by a mysterious new financial consulting firm to calculate worst-case scenarios for corporations to indemnify themselves against any future disasters. He loses touch with his last connection to reality, a friend with her own apocalyptic secret.
THE ACTORS / Young male mathematician, His female friend, Corporations
