Palestine is not a country?...Delist it from Facebook as a country? (41) Palestine is not a country. Delist it from Facebook (36) Palestine is not a country. delist it from facebook as a country (30)

how many ppl love palestine on facebook??? (34) Leave Israeli/Palestine debate out of facebook (33) Hey Facebook, add Palestine as a Hometown (3)

Why is Palestine and Darfina are not considered in Facebook Hometown List (2)

“ “

The group „Official Petition to have Palestine removed as a country on facebook“ argues:

*By giving Palestine name recognition as a country, we are allowing a region that has not yet renounced terrorism, not yet recognized its neighbors right to live in peace, and not yet given up on its indoctrination that Jews are evil everything they ever wanted. If the Palestinians had a sense of humanity, at least one out there would speak out against violence towards the Jews yet no one has seen it yet. REMOVE PALESTINE FROM THE COUNTRY LIST! It never has been and the way they are going, will never be a recognized nation.*

” ”

“ “

As a response, the group „Against delisting Palestine from Facebook“ created a petition against delisting Palestine from Facebook. Their argument goes as follows:

PALESTINE NETWORK WILL BE REMOVED FROM FACEBOOK IF THEY SEND ENOUGH MESSAGES. IT HAS BEEN DONE BEFORE, AND IT TOOK A LOT OF EFFORT TO BRING IT BACK. SO WE MUST SIGN THE PETITION PROVIDED BELOW AND DO THE STEPS REQUIRED FOR REPORTING. COME ON PEOPLE, MOVE!

„What I found interesting about joining the Palestine network is that, when I then tried to join the Israel network, it wasn't possible. Social identities on facebook seem to be static and mutually exclusive. I wonder how people choose between them?“
